

# Publique nos Periódicos Karger sem pagar APC

Pesquisadores afiliados ao Hospital, podem publicar seus artigos abertos nos mais de 90 periódicos da editora sem incidência de taxas

PARCERIA

ALBERT EINSTEIN  
INSTITUTO ISRAELITA DE  
ENSINO E PESQUISA

Karger

A Karger é uma editora biomédica com mais de 130 anos de tradição em publicação científica.

Seu portfólio conta com Revistas de Especialidade de grande impacto e de importantes Sociedades Internacionais, como: **Neonatology, Blood Purification, Hormone Research in Paediatrics, Cerebrovascular Diseases, Respiration, International Archives of Allergy and Immunology, Cardiology, Oncology, Pathobiology, Liver Cancer, Acta Cytologica, American Journal of Nephrology, Digestive Diseases, Neurodegenerative Diseases, entre outras!**

Open Access Agreements

Karger has established agreements with cooperating consortia and institutions that include full or partial coverage of Article Processing Charges (APC) and/or Authors Choice™ publication fee, helping authors publish articles Open Access and comply with Open Access mandates. This means authors can publish Open Access without incurring any additional costs or with reduced APCs.

Find out [here](#) whether your Open Access APCs are covered by such an agreement. [Help for this field](#)

Eligibility Declaration (required)

Eligible
